KAYLA MORRISEY + JENNY KLEIMAN
SIGN WITH GERSH AGENCY

IN UPDATES

Gersh

Kayla Morrissey and Jenny Kleiman are proud to announce they have signed with long-time friend and ally, formerly of SONY PICTURES Lauren Craniotes at GERSH Agency in Los Angeles. Kayla and Jenny will be rep’d by GERSH for Writing and Directing.

“Lauren Craniotes, who most recently spent seven years as vp production at Sony Pictures Worldwide Acquisitions/Stage 6 Films, has joined the Los Angeles office as a motion picture literary agent. In her 15 years of studio development and production, which included stints at Warner Bros. and Warner Independent Pictures, she worked on projects including *The Departed*, *The Meddler*, *Constantine*, *In the Valley of Elah*, *Must Love Dogs*, *North Country*, *Darfur Now* and *The Call*.

The Wesleyan and Harvard Business School alumna, who aims to cultivate underrepresented writing and directing clients, has served as a judge for the Sundance Institute’s Native Lab Fellowship, The Urbanworld Film Festival and The Black Film Festival.”
